

# *Setting the Table*

*For* Catholics, the image and phrase “Setting the Table” speaks to Eucharist – gathered around the table to be nourished by God’s word and Christ’s body and blood. The family table is where we experience belonging, where we laugh and argue and share our days.

Universally, the Table is where we discover who “the other” is and where we reveal ourselves. The Table is a place of deep conversation, of learning to listen to one another, of struggling beyond our own experiences and preconceptions, of negotiation and the accomplishment of conflict resolution. The Table is where intimacy develops through building friendships.

CALGM’s pastoral ministry works on all these levels, in our parish churches, at Eucharistic celebrations and with individuals who are Lesbian, Gay, Bisexual and Transgender & Questioning (LGBTQ) and families with LGBTQ children, parents, or spouses.

CALGM creates openings, prepares for and welcomes people to the Table that nourishes. CALGM is SETTING the TABLE! ■
